1. As the AGM will be held as a combined physical and electronic meeting and as a result of the Company’s policy on third parties attending Company premises restricting the number who are able to attend, shareholders are strongly advised not to attend the AGM in person. Every eligible shareholder is, however entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the AGM. Shareholders who wish to participate in the meeting are advised to appoint the chairman of the meeting as their proxy in order to do so. Any other person(s) purported to be appointed as proxy may be permitted to attend the meeting in person subject to strict capacity limits and pre-booking. In such circumstances, if a shareholder appoints some other person or persons as proxy and that proxy is unable to attend, such shareholder shall be deemed to have appointed the chairman of the meeting and not the other named person(s) as their proxy.

2. To be entitled to vote at the AGM (and for the purpose of the determination by the Company of the number of votes they may cast), members must be entered in the Register of Members of the Company no later than 4.00 p.m. on 21 September 2021 (the “specified time”). If the AGM is adjourned to a time not more than 48 hours after the specified time applicable to the original AGM, that time will also apply for the purpose of determining the entitlement of members to vote (and for the purpose of determining the number of votes they may cast) at the adjourned AGM. If, however, the AGM is adjourned for a longer period, then, to be so entitled, members must be registered on the Company’s Register of Members as a member of the Company at the time which is not less than 48 hours (excluding any part of a day that is not a working day) before the time fixed for the adjourned AGM or, if the Company gives notice of the adjourned AGM, at the time specified in that notice.

3. A form of proxy is enclosed for use at the AGM. Please read carefully the instructions on how to complete the form. To be valid, a form of proxy (and any power of attorney or other authority under which it is executed or an office or notarially certified copy of a copy certified in accordance with the Powers of Attorney Act 1971 of such power or authority) must be duly completed and returned so as to reach the Company’s Registrars at PXS, Link Group, 10th Floor, Central Square, 29 Wellington Street, Leeds, LS1 4DL no later than 4.00 p.m. on 24 September 2021. Alternatively you may submit your proxy (and any power or authority) electronically by following the instructions at the top of the enclosed Attendance Card. To be a valid electronic proxy appointment, the member’s electronic message confirming the details of the appointment completed in accordance with those instructions must be transmitted so as to be received by no later than 4.00 p.m. on 24 September 2021.

4. CREST members who wish to appoint one or more proxies through CREST may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed one or more voting service providers, should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or a proxy instruction made using the CREST voting service to be valid, the appropriate CREST message (a “CREST proxy appointment instruction”) must be properly authenticated in accordance with the specifications of CREST’s operator, Euroclear UK & Ireland Limited (Euroclear), and must contain all the relevant information described in the CREST Manual. To be valid, the CREST proxy appointment instruction (regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy) must be transmitted so as to be received by Link Group (ID RA10), as the Company’s “issuer’s agent”, by 4.00 p.m. on 24 September 2021. For this purpose, the time of receipt will be taken to be when (as determined by the timestamp applied by the CREST Application Host) the issuer’s agent is first able to retrieve it by enquiry through CREST in the prescribed manner. After this time any change of instruction to a proxy appointed through CREST should be communicated to the appointee through other means.

Euroclear does not make available special procedures in CREST for transmitting any particular message. Normal system timings and limitations therefore apply in relation to the input of CREST proxy appointment instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or a CREST sponsored member or has appointed any voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such action as is necessary to ensure that a message is transmitted by means of CREST by any particular time. CREST members and, where applicable, their CREST sponsors or voting service providers should take into account the provisions of the CREST Manual concerning timings. In certain circumstances, the Company may, in accordance with Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 or the CREST Manual, treat a CREST proxy appointment instruction as invalid.

5. The total number of ordinary shares in issue as at 21 August 2021, being the last practicable day before printing of this Notice of Annual General Meeting, was 723,780,306 ordinary shares and the total level of voting rights was 723,780,306, none of which were attached to shares held in treasury by the Company.

Notes:
Resolution 1 – Receipt of the Annual Report and Accounts
The Directors are required by law to present to the AGM the audited accounts and Directors’ Report for the year ended 31 March 2021.

Resolutions 2 – Election of Directors
The Company’s Articles of Association require a Director who has been appointed by the Directors during the year to retire at the Annual General Meeting next following his or her appointment. Dr Joanne Mason was appointed to the Board as Chief Scientific Officer on 5 November 2020 and consequently is required to retire from office and be re-appointed.

Resolutions 3 to 5 – Re-election of Directors
The Company’s Articles of Association require any Director who has not retired by rotation at either of the two preceding Annual General Meetings to retire. Additionally, one-third of the Directors are required to retire from office at each Annual General Meeting. Adam Reynolds was last elected at the 2018 Annual General Meeting and therefore retires automatically by rotation. All other Directors have been elected or retired by rotation at one of the last two Annual General Meetings so, in order to comply with the requirement for one-third of Directors to retire and seek re-election Dr Bill Chang and Dr Stephen Little will retire from office at the AGM and stand for re-election by the shareholders.

Resolutions 6 and 7 – Auditor re-appointment and remuneration
The Auditors are required to be re-appointed at each Annual General Meeting at which the Company’s audited accounts are presented. Resolution 6, therefore, proposes the re-appointment of Saffery Champness LLP as Auditors until the conclusion of the next general meeting at which audited accounts are laid, that is the next Annual General Meeting. Resolution 7 authorises the Directors to determine the Auditors’ remuneration.

Resolution 8 – General authority to allot shares
Under the Act, the Directors may only allot shares if authorised by shareholders to do so. Whilst the current authority has not yet expired, it is customary to grant a new authority at each Annual General Meeting. Accordingly, this resolution will be proposed as an ordinary resolution to grant a new authority to allot shares or grant rights to equity securities up to £150,000. This amount represents approximately one-fifth of the Company’s issued ordinary share capital as at the date of this Notice. If granted, this authority will expire on the earlier of the date falling 15 months after the passing of the Resolution and the conclusion of the Company’s next Annual General Meeting. Although the Directors currently have no present intention of utilising this authority, passing this resolution will give the Directors flexibility to act in the best interests of the Company and its shareholders when opportunities arise.

Resolution 9 – General power to disapply pre-emption rights
The Directors require additional authority from the Company’s shareholders to allot shares, or sell shares out of treasury, where they propose to do so for cash and otherwise than to the Company’s shareholders pro rata to their holdings. This resolution will give the Directors power to issue new ordinary shares for cash other than to the Company’s shareholders on a pro rata basis by way of a rights or similar pre-emptive issue and otherwise up to a maximum nominal amount of £150,000. This amount represents approximately one-fifth of the Company’s issued ordinary share capital as at the date of this Notice. This resolution will be proposed as a special resolution.
